

Name of School	
Local Authority	

Please rate the scale of the impact the science funding has had at your school.

Minor Impact
 Moderate Impact
 Significant Impact
 Transformative Impact

Please explain why you have selected this answer:

Please read the following four statements carefully and rate your response in relation to your school:

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	Not Applicable
1. The lack of quality science resources in school limits the type of science lessons we can deliver.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2. The lack of quality science resources in school affects the number of science lessons we can deliver.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3. The science resources we have in the school restrict the number of pupils that can actively take part in practical science. This means that science is often 'demonstrated' by teachers rather than carried out by pupils.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4. SRfS have helped our pupils become more enthusiastic about science and have encouraged a lasting interest.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Please describe how you have utilised the skills acquired through the CPD, coaching, and consultancy delivered via your 'STEM Impact Fund Group':

Edina Trust, Unit 6, Fenlock Court, Blenheim Office Park, Long Hanborough, Witney, OX29 8LN

Thanks for your help

Please describe how Edina's £800 science equipment grant helped your school achieve the targets highlighted on your newly developed Primary Science School Development Plan:

Please describe an aspect of teaching/learning that was really successful and fully met or surpassed your expectations. Were there any disappointments we can learn from?

Please provide any comments/suggestions or ideas regarding the operation of the Scheme.

Edina Science Grant Marketing (www.edinatrust.org.uk and x.com/EdinaTrust)

Edina likes to create an information bank of ideas to publicise its grant scheme to schools and help them decide how to use their grants effectively.

Photographs are particularly welcomed (with, or without, supporting information or material generated during the project).

Please attach any photos and/or lesson plans, activities or comments and email to: reporting@edinatrust.org.uk
