School Name:	Telephone:
School Address (please include <u>postcode</u> ):	Number of pupils at your school:
<b>Contact 1 – Main point of contact for Edina Trust</b>	
<b>Contact 2 – Backup contact</b>	
<b>At least one contact must be a <u>science leader/science coordinator or head teacher</u>.</b>	
Name:	Name:
Email:	Email:
Position at school:	Position at school:

**BACS INFORMATION**  **Please check details with your school's office before submission** 

Account Name:		Payment Ref - used to identify the grant. [For payments to local authority/academy trust accounts <u>include your school's name/identifier</u> ]	
Sort Code:	Account Number:		
Once your grant is approved, the Edina Trust will pay the funds into your school/academy trust/local authority account. <b>It is then the school's responsibility to order the items listed.</b>			

### PRE-GRANT QUESTIONNAIRE

The Edina Trust is keen to evaluate the impact of its grant scheme on the teaching and learning of science in your school. This is a non-competitive grant scheme so your responses do not affect future funding provided by Edina. Please answer the following:

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	Not Applicable
1. The lack of quality science resources in school limits the <u>type</u> of science lessons we can deliver	<input type="checkbox"/>					
2. The lack of quality science resources in school affects the <u>number</u> of science lessons we can deliver	<input type="checkbox"/>					
3. The science resources we have in school restrict the number of pupils that can actively take part in practical science. This means that science is often 'demonstrated' by teachers rather than carried out by pupils	<input type="checkbox"/>					
4. The opportunities and experiences we currently offer for science visits/science visitors are limited	<input type="checkbox"/>					
5. Our current science resources do not enthuse and encourage our pupils to have an interest in science	<input type="checkbox"/>					

**PRIVACY STATEMENT:** The Edina Trust stores the contact information provided on this grant form within its legitimate interests as a science grant providing charity. This information will never be shared with, or sold to, outside organisations. The Trust will process the information you have provided for the following reasons:

- Reviewing and assessing your form in order to make a decision on providing funding;
- Contacting you to inform you of the status of your grant and to request feedback on its impact;
- Retaining information on the funding provided to your school/nursery.

### EQUIPMENT LIST

If you wish to edit this equipment list to better suit the needs of your school, please copy the list into a 'create your own' form. You can find a blank form at [www.edinatrust.org.uk/science-grant-scheme](http://www.edinatrust.org.uk/science-grant-scheme)  
The Edina Trust **does not cover VAT** as all UK state funded schools can reclaim VAT on educational goods and services. Please speak to your local authority or finance officer about reclaiming VAT.

Item	Price	Quantity	Total

<a href="#">IRON FILINGS IN A BUBBLE</a>	£ 1.29	5	£ 6.45

All items are available through Hope Education – <https://www.hope-education.co.uk/>

**Total Estimated Cost: £ 798.37**

Looking for ideas on Electricity & Magnetism activities?  
Check our website for advice!

[https://www.edinatrust.org.uk/ideas-electricity-magnetism](http://www.edinatrust.org.uk/ideas-electricity-magnetism)

- It is for individual schools to carry out their own risk assessments before selecting and using Edina funded science equipment with pupils
- Prices are correct as of 13<sup>th</sup> January 2026
- The school will need to cover any additional cost over the grant entitlement (£800 for primary schools and special schools. £400 for infant or junior schools)
- It is up to the school to purchase the items after receiving the grant

**Nursery Grant:** If your school has a maintained nursery it may still be eligible for a one-off £550 science grant
