PRE-GRANT QUESTIONNAIRE

The Edina Trust is keen to evaluate the impact of its grant scheme on the teaching and learning of science in your school. This is a non-competitive grant scheme so your responses do not affect future funding provided by Edina. Please answer the following:

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	Not Applicable
1. The lack of quality science resources in school limits the <u>type</u> of science lessons we can deliver	☐	☐	☐	☐	☐	☐
2. The lack of quality science resources in school affects the <u>number</u> of science lessons we can deliver	☐	☐	☐	☐	☐	☐
3. The science resources we have in school restrict the number of pupils that can actively take part in practical science. This means that science is often 'demonstrated' by teachers rather than carried out by pupils	☐	☐	☐	☐	☐	☐
4. The opportunities and experiences we currently offer for science visits/science visitors are limited	☐	☐	☐	☐	☐	☐
5. Our current science resources do not enthuse and encourage our pupils to have an interest in science	☐	☐	☐	☐	☐	☐

PRIVACY STATEMENT: The Edina Trust stores the contact information provided on this grant form within its legitimate interests as a science grant providing charity. This information will never be shared with, or sold to, outside organisations. The Trust will process the information you have provided for the following reasons:

- Reviewing and assessing your form in order to make a decision on providing funding;
- Contacting you to inform you of the status of your grant and to request feedback on its impact;
- Retaining information on the funding provided to your school/nursery.

EQUIPMENT LIST

If you wish to edit this equipment list to better suit the needs of your school, please copy the list into a 'create your own' form. You can find this form at www.edinatrust.org.uk/science-grant-scheme
The Edina Trust **does not cover VAT** as all UK state funded schools can reclaim VAT on educational goods and services. Please speak to your local authority or finance officer about reclaiming VAT.

If you have previously received the original Raising Robots bundle with your science grant, or if you already have LEGO® SPIKE™ kits in your school, we recommend this bundle to supplement your supplies.
