PRE-GRANT QUESTIONNAIRE

The Edina Trust is keen to evaluate the impact of its grant scheme on the teaching and learning of science in your school. This is a non-competitive grant scheme so your responses do not affect future funding provided by Edina. Please answer the following:

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	Not Applicable
1. The lack of quality science resources in school limits the **type** of science lessons we can deliver	☐	☐	☐	☐	☐	☐
2. The lack of quality science resources in school affects the **number** of science lessons we can deliver	☐	☐	☐	☐	☐	☐
3. The science resources we have in school restrict the number of pupils that can actively take part in practical science. This means that science is often 'demonstrated' by teachers rather than carried out by pupils	☐	☐	☐	☐	☐	☐
4. The opportunities and experiences we currently offer for science visits/science visitors are limited	☐	☐	☐	☐	☐	☐
5. Our current science resources do not enthuse and encourage our pupils to have an interest in science	☐	☐	☐	☐	☐	☐

EQUIPMENT LIST

If you wish to edit this equipment list to better suit the needs of your school, please copy the list into a 'create your own' form. You can find this form at www.edinatrust.org.uk/science-grant-scheme

The Edina Trust **does not cover VAT** as all UK state funded schools can reclaim VAT on educational goods and services. Please speak to your local authority or finance officer about reclaiming VAT.

This Edina Trust Primary Bundle offers schools a fun, hands-on approach to coding using LEGO Education's SPIKE Essential sets. Pupils work collaboratively to build fantastic LEGO creations and then bring them to life through programming. FREE curriculum-aligned units of work and lesson plans are available too – you can see them here. Online training is included to help you get familiar with SPIKE Essential and there is a great set of information posters for your classroom which will support your teaching too.

For full contents see: https://raisingrobots.com/product/etp2324
(detailed links to individual items below)

1. LEGO® Education SPIKE™ Essential Set (3 sets) **Price:** RRP £259.00 X 3 = £777.00 ex VAT

(Each set contains 449 elements including 4 minifigures, 2 small motors, a colour sensor, 3x3 Colour Light Matrix, and a 2-Port Hub as well as replacement elements and sorting trays)

2. **'An Introduction to SPIKE Essential' Price:** RRP £99.00 ex VAT

A two-hour hands-on, online training workshop with a LEGO Education Certified Trainer for two members of staff. *(Raising Robots will contact you directly to book your online training).*

Once you have received your grant, please proceed via your usual procurement channel or visit:
https://raisingrobots.com/product/etp2324

Total Bundle Cost: £ 700.00 (excl. VAT)

(All prices are listed excluding VAT because all UK schools can reclaim VAT).

- It is for individual schools to carry out their own risk assessments before selecting and using Edina funded science equipment with pupils.
- **It is up to the school to purchase the items after receiving the grant.**

Nursery Grant: *If your school has a maintained nursery it may still be eligible for a one-off £500 science grant.*
